Subject: Prayer for permission to resubmit the assignment "Writing Paragraphs on Yourself."

Dear Sir,

I am writing this application to most respectfully request your kind consideration regarding my submission for the assignment titled "Writing Paragraphs on Yourself," which was due on February 24, 2026.

I regret to inform you that, although I had completed the assignment on time, I failed to finalize the submission process on Google Classroom due to an oversight. As the portal is currently closed, I was unable to turn in the file before the deadline.

As a student of the BSSE program, I understand the importance of punctuality and professional communication. I sincerely apologize for this lapse and have attached my completed three-paragraph essay in to this correspondence for your review.

I, therefore, pray and hope that you would be kind enough to accept my late submission. I am willing to accept any grade penalty you deem appropriate for this delay.

Thank you for your time and for considering my request.

Sincerely,

Protttoy Paul
